

Pavenham Park Golf Club

# Temporary Greens

(Ball must finish in Temporary Hole to count)

(Temporary Pin may be left in while Putting)

In the normal course of play, Temporary Greens, defined as areas cut in the approaches / fairways (marked with a blue painted line) for use during frost mornings are **G.U.R.**

Play from these areas is prohibited. Please lift your ball and drop at the nearest point of relief in accordance with the rules of golf.

(**Please note**: whilst Temporary Greens are operational, the Main Greens are defined as G.U.R and fall under the same ruling as above.)
