

1) Stones in bunkers

They are deemed moveable obstructions

2) Public Footpaths

Golfers must give way to walkers on footpaths situated within the course boundaries

3) Ground Under Repair

Play is prohibited from all areas marked or deemed G.U.R and full relief must be taken, one club length at nearest point of relief. **All areas marked with a blue stake**, tractor tyre marks, vehicular tracks/roads, temporary greens and teeing grounds must be treated as G.U.R

4) Teeing Grounds

A ball that lands on a teeing ground (the playing area, not the slope) must be lifted and dropped at the nearest point of relief, one club length, without penalty.

5) Protection of Trees

Trees staked, wrapped or otherwise supported are deemed protected. If such a tree interferes with a players stance or intended swing, the ball must be lifted without penalty and dropped within one club length at nearest point of relief

6) Plugged Ball

A ball plugged in the rough or closely mown area may be without penalty, marked, lifted, cleaned and dropped at nearest point of relief

7) Rakes

Please leave all rakes inside bunkers

8) 150 Posts

These posts are deemed moveable obstructions

9) Hazard Posts

All hazard posts are deemed moveable obstructions (exception Out of Bounds posts)

10) Pathways

All pathways (stone, chipping, woodchip) are deemed immovable obstructions and relief of one club length at nearest point of relief may be taken without penalty

11) Course Safety

It is the players responsibility to ensure their own safety wherever possible including adverse weather conditions (i.e Fog, Thunder & Lightning)

12) Distance Measuring Devices

PPGC permit the use of measuring devices in all club competitions

(however those devices/smart phones cannot be used to measure additional features i.e: slope, temp, wind speed)

13) Course Tee Signs / Course Rocks

These are deemed immovable obstructions and relief of one club length at nearest point of relief may be taken without penalty
