

Dear Member,

A very warm welcome back to golf at Pavenham Park Golf Club. We hope you are enjoying meeting up with friends again whilst playing this wonderful game.

Re-opening the golf club has been mostly a smooth affair, with most members enjoying as much golf as they wished, even with the booking restrictions in place to ensure fairness to all. By using both 1st and 10th tees we were able to meet most members demands, with many being able to carry on and play 18 holes on many occasions. We thank you all for your assistance and patience to help with the initial demand for golf after lockdown.

Bookings Going Forward

We are pleased to report that, as from Monday 12th April, members may book up to 2 weeks in advance for 18 holes of midweek golf. Non-members will also be welcomed back but must be booked in and playing with a member (i.e. member's guest).

As has been the case since the club opened, weekend bookings will open 7 days in advance. members will be permitted to book 18 holes in advance on one of the weekend days only BUT are invited to book an additional weekend day on the Friday before that weekend.

Competitions Are Back!

Please find attached your personal competition / event calendar for the coming season. Your Competition Committees have worked hard on forming a calendar that allows play for all the Honours Board events and the major trophies.

For those of you who have played competitions for many years at PPGC please be prepared for some changes. Some events have had to amalgamate and 4 ball bookings will be invited on some events to ensure entry for those wishing to play. This may result in longer rounds in some events than you have previously experienced. For example in monthly medals. So please bear this in mind when booking your place!
