

Dear Member,

I hope this finds you and your family well and in good spirits.

As we draw nearer to learning of a date when golf courses can reopen, I thought it was a good time to inform you of the pre-planning we are doing to ensure a smooth an opening as possible. Obviously, a lot of these plans are subject to what we can offer under the terms of the restrictions applicable upon opening and may, therefore, change. We will contact you with more definite information once we know more!

Membership Subscriptions

As previously communicated, we are offering the options of discount on the following memberships:

7 Day	£995 discounted to £895
5 Day Plus	£895 discounted to £810
5 Day	£795 discounted to £720

Alternatively, you may choose to receive a complimentary credit on your bar account:

7 Day	£130
5 Day Plus	£110
5 Day	£100

In addition to the above, we are now offering all categories of membership an extension of one month on their current term. For example, if your renewal date is 31/3/2021, your next years renewal date will be 30/4/2022.

Most other local golf clubs are currently not offering any form of compensation to their members for the time they have been closed due to the pandemic, citing that the majority of their members played as much or more during the time they were open as they would have in a 'normal' year. Whilst this was also true at Pavenham Park, we feel that it is only fair to acknowledge the time the pandemic reduced the availability to play.

During the time of closure we have continued to maintain and develop your your golf course whilst paying considerable on-going expenditure in order to offer you an excellent facility for the coming year. I hope you will agree the above reduced / discounted membership fees are much lower than what the other comparable local golf clubs are charging and represents superb value for money on the county's highest ranked golf club.

Tee Bookings

Hopefully, after the Government announcement on Monday, we will all know when we may open the golf club again. We are envisaging that only 2 balls will be permitted to play. With the daylight hours improving, we hope to be able to offer 18 hole rounds for the majority, even though we may only be taking 9 hole bookings initially.

On Tuesday we will forward an email to you confirming booking arrangements etc. We will only open the club in an organised and timely manner to ensure you have as an enjoyable visit as possible.

Golf Course Condition

Your golf course looks fantastic and has certainly benefitted from a rest during the lockdown and continuous wet weather experienced.

We are fertilising all areas of the course over the coming weeks and look forward to presenting you with some new bunkers and tee areas!

Finally

We are sincerely looking forward to meeting you again! Hopefully, with such an improved future on the horizon, we can offer you the best of golfing experiences in 2021.

Warmest wishes,

Zac
